THE VENUE

EXCLUSIVELY YOURS

Hidden seductively within 50 acres of breathtaking Welsh countryside, our unique five-star retreat is designed to the highest standard. You and your party will be given exclusive use of our fabulous venue in order to immerse yourselves in the Oldwalls Gower experience.

THE MARQUEE

We're proud to provide a magnificent marquee for your big day. The state-of-the-art, chic design is both elegant and functional. Having been purpose built on solid foundations, our fully heated marquee can hold between 55 to 200 guests for your wedding reception. At night, the marquee is transformed; a hidden dance floor and lighting system are revealed to welcome up to 300 of your evening guests.

THE OAKROOM & BAR

Boasting high oak-beamed ceilings and extraordinary views across the lakes. The Oakroom is a truly unique setting in which to hold your civil ceremony, and is fully licensed to do so. The Oakroom is a multi-purpose facility that can be easily transformed into an elegant space to host your drinks reception. At night, the buffet is served from here to allow for maximum party space in the marquee. The Oakroom can also be utilised as a lounge area for your guests to quietly relax away from the party.

Our private bar connects the main marquee to The Oakroom and leads out onto a lake terrace via elegant French doors.

Fully stocked with a fine selection of wines, champagnes, spirits, beers and local ales, our bar will leave you spoiled for choice. The bar has been designed to accommodate multiple bar staff to ensure that you and your guests are served both quickly and efficiently.

YOUR GUEST ACCOMMODATION

We offer flexible five-star accommodation for your guests. Our courtyard cottages can accommodate up to 40 of your guests, with space for a further 20 people in our Glamping Village (see page 14).

The courtyard cottages consist of 13 double/twin en-suite rooms, with 4 suites; Willow, Ivy, Oaktree and Rose.

Our cottages have been expertly designed to combine luxury with a homely feel.

We invite your guests to reside with us exclusively, allowing them to fully appreciate the breathtaking surroundings of our award-winning venue and location.

YOUR HONEYMOON SUITE

The Rose Honeymoon Suite has been designed with newlyweds in mind. With a beautiful private garden, infinity hot tub and sauna, this suite is the epitome of luxury. You'll enjoy stunning views of Rhossili Downs from your own private balcony.

PRIVATE

The Rose Honeymoon Suite boasts all of the facilities you would expect to find within a five-star hotel suite including a stylish lounge and kitchen area, a large bedroom, dressing table, 50 inch flat screen TV, state-of-the-art music and lighting system and a designer bathroom. This chic and sumptuous suite will allow you to spend your first night as a married couple in sheer luxury.

RUSTIC RETREATS

We are committed to offering an unrivalled wedding experience, that's why we offer our Rustic Retreats, because sometimes, one day just isn't enough.

Book one of our Rustic Retreats (exclusive cottages sleeping up to 12 guests) the night before the wedding so that both parties and their guests can look forward to a stress-free morning. Just minutes away from Oldwalls, Rustic Retreats by Oldwalls make stunning locations for those candid morning-of-the-wedding photographs. On the night of the wedding, our cottages can offer additional accommodation for your wedding guests. But it needn't end there. Hire them the day after for some post-event celebrations, from a barbecue on the terrace to a garden party or drinks indoors.

GLAMPING

Situated within our stunning grounds adjacent to a tranquil lake, you will find ten luxury, en suite glamping pods.

After a day of celebrations and a night of dancing, imagine falling asleep under the stars. Our fully heated pods offer the unique opportunity to watch the world go by... Until the next morning when we encourage you to blow away the cobwebs by exploring the Gower gardens before feasting on a Welsh breakfast.

OUR SERVICE

We pride ourselves on providing the very best customer service. As an independent venue, we take a 'yes, we can' approach.

Our team is committed to delivering excellence. Thanks to their hard work and attention to detail, your wedding day will be nothing short of perfection. From maintaining the grounds to first class catering, no detail is overlooked at Oldwalls.

TASTE OF GOWER

The food on your fork matters

Our in-house chefs freshly prepare each dish using the finest local produce wherever possible. We guarantee that the beef, lamb and pork are 100% Welsh! We offer several decadent menus, canape and buffet options. Our wedding breakfast is designed as a lavish five-course feast to guarantee an unrivalled gastro experience.

"I am so glad I chose Oldwalls as my wedding venue. The food was absolutely delicious and the service was impeccable, the staff couldn't have been more helpful. My guests have not stopped talking, or should I say salivating, over the food."

Simon & Kirsty John, Cardiff

OUR LOCATION

Hidden seductively at the heart of Gower, Oldwalls offers a unique destination in a unique part of the world. Voted Britain's first designated area of outstanding natural beauty, the Gower landscape is considered one of the most picturesque in the U.K.

Gower offers a world-class setting for your photographs. It's popular for newlyweds to escape from the drinks reception to capture magical moments on the cliffs of Rhosilli Bay (voted best beach in Europe).

NATALIE & DALE

"Dale and I are both from Cardiff but couldn't find a wedding venue locally that offered what we were looking for. When we discussed our wedding vision we both agreed that exclusivity, a unique setting and great food was key.

Oldwalls offered everything we were looking for and more. Dale was a Masterchef finalist so for us, locally sourced fresh produce was really important and Oldwalls did not disappoint."

SIMON & MARK

"When we discovered Oldwalls, we knew it was perfect for us."

"We wanted a unique venue that none of our friends or family had visited before. When we discovered Oldwalls tucked away in a beautiful part of Gower, we just knew it was the perfect venue for us. As our guests were travelling from Cardiff and Bristol, the on-site luxury accommodation meant that they could join us without worrying about getting home at the end of the night. Naturally, we were a little apprehensive because we booked the whirlwind package, but the team were so helpful. Despite planning our entire wedding in less than six months, the Oldwalls team ensured that our minds were put at ease throughout. We feel very fortunate to have got married at Oldwalls."

LIV & JOSH

"To be honest the whole experience has been incredible. The staff are so attentive and the venue is absolutely breathtaking. As for the food, it was honestly mouth watering!"

For me, the best part was exploring the Gower for our wedding photographs. We were surprised it was only a 10 minute drive to Rhossili from Oldwalls. The backdrop for our photos literally took our breath away, and I don't think it was due to the high winds! Stood on top of the cliff with my new husband by my side, watching the sun set was like something out of a dream."

Marc Smith Photography

LEAH & RHIYS

"Our winter wedding was absolutely incredible. It was better than we had ever imagined. The staff were always incredibly professional and friendly. We felt so much warmth from everyone, it was truly amazing and we cannot praise the Oldwalls team highly enough."

The McHendrys

KATE & OLIVER

"Our expectations were exceeded from start to finish. Oldwalls is a beautiful venue and the team couldn't have done more in their efforts to fulfil our dreams for our big day."

We were fortunate enough to get married on a beautiful spring day, so we were able to open several of the marquee's French doors to make it feel like an outdoor wedding. The grounds are simply breathtaking, the perfect backdrop for the wedding pictures which we will cherish forever."

"Oldwalls provide an exceptional service when it comes to accommodating your ideas to make your wedding unique. Don't forget to ask them about local suppliers to help your ideas become a reality."
